

Participation in the Clearwater Lake Marathon makes a difference!

In addition to the pledge monies raised for The Pas Health Complex Foundation Fund, 50% of the pledge proceeds from the **Clearwater Lake Marathon 2013** will be going towards the construction of two new 1/2 court basketball courts which will be installed at Campers Cove and Mile 25 sometime during summer 2013!

With continued support of the Clearwater Lake Marathon, future park improvement projects will be possible.

Thank you to everyone who participates.
